Mission
WAND builds women’s political power to advocate for security and peace with justice. We believe that women are central to shifting the militarized, patriarchal culture that pervades our society and leads to endless war and violence.

Peacebuilder Program
With an annual contribution of $1,000 or more, you will join a group of advocates committed to peace. In appreciation of your support as a Peacebuilder, you will receive special benefits.

Impact
WAND was founded on the principles of integrating women into the peace building agenda, ending excessive Pentagon spending, and, most importantly, eliminating the threat of nuclear war. Today, you can continue this important work with an annual contribution.

By becoming an annual member of the Peacebuilder Program, your generosity reaffirms the importance of international peace in a political climate that is increasingly hostile to diplomacy.

With your help, WAND will continue to fight to end the nuclear arms race!

Benefits
Quarterly email updates on the impact of your generosity

Special recognition on our website to honor your dedication to WAND

Personal updates from WAND Executive Director, Nancy Parrish
